

## ABOUT US

Sambros Technical Services is established in 2021 in UAE under the umbrella of Sambros International with the aim to provide exclusive maintenance and technical services to our valuable clients with specific prominence on quality and safety.

With Sambros, 360 degree of adaptability in assorted services, building and maintenance skills, reasonable price factor and enhanced working exposure services provided by our experienced team are highly appreciated across the UAE.

Sambros Technical Services is a single source vendor for all your technical needs of construction from painting, plaster works, electrical needs, carpentry services and facility maintenance services for commercial buildings. We specialize in providing professional building maintenance services to residential and commercial sectors like flats, villas, hotels, banks, retail, schools, hospitals and commercial building.

## OUR MISSION

With our flexible technical service plans tailored to meet each individual client's specific needs and budget, building technical services has been able to continually simplify the construction process. We are dedicated and committed to a higher standard of service and a healthier environment. At Sambros, we pride ourselves on our superior techniques, customer service and quality assurance programs.

The main agenda of Sambros Technical Services is to provide simple technical services to all clients, using the latest equipment and technology.

## OUR VISION

As a full service, technical service company, our customer's satisfaction is our number one priority. We provide the option of non-toxic products and eco-friendly equipment to ensure satisfactory project delivery for all of our clients. In the scope of conveniences, our clients can depend on us to provide quality technical services, construction services, plaster works, professional operations and maintenance, integrated facility management, and strong electrical work.
