## OUR SERVICES

# TAXATION

We have an expert and qualified team for taxation solutions and advisory services to meet all our clients' needs in terms of taxation needs. We provide a full range of tax services. Our tax practitioners have deep knowledge of tax rules and regulations, as well as of existed market environment and changes. This enables us to offer an array of services to our clients to comply with tax requirements, while benefitting a viable tax incentives in order to make the organization tax effective.

Our taxation services are proactive and on need basis according to type and sector of each organization.

We understand there is a lengthy and time consuming process for organizations while submitting and clearing their annual tax returns.

Thus, at Allied, we will be focusing on accurate tax amount payable and try to minimize it as much as possible by performing tax avoidance procedures.

At Allied, we handle full taxes matters and responsibilities of your organization so that you will be able to carry out your routine business operations and not waste timing on taxation matters. We will act as a tax department of your organization and will handle overall taxation matters with Ministry of Finance. Thus, calculating taxes payable amounts accurately, forms preparation, submission and processing within departments of either medium or large tax payer offices. This will save you time as well as make a good record with Ministry of Finance by making taxes payments on time.

# OUR SERVICES
