Farid Hashimi Group of Companies is a multi-industry leading company operating internationally.

*Good company in a journey
makes the way seem
shorter.*

- Izaak Walton

COMPANY OVERVIEW

Farid Hashimi Group of Companies (FHGC) is the amalgamation of seven companies. The group became a listed entity on January 2012. It has evolved to being a diversified services and product group with an established growing international client base engaged in resources and services delivery.

The group's business approach is encapsulated in its positioning statement of "Committed to Superior Quality and Results":

The word "**Committed to Superior Quality**" articulates Farid Hashimi Group of Companies' ability to deliver products and services according to a tested methodology.

The word "**Results**" reflects the group's ethos of meeting challenges with innovative solutions.

The group has a clear strategy of using its collective skills and understanding of markets to develop a unique value proposition to clients. The group's decades of experience, innovation and exceptional people differentiate our approach to delivering integrated solutions notwithstanding the diversity and complexity of an exponentially changing environment.
